

# Eternal Security

(once saved, always save)

---

1. Since Christ is the head of the body, what does it mean to be **in Christ**? (Romans 6:1-11)

2. What does **secure position** mean? (II Peter 3:17)

3. Define the word **alienated**. (Galatians 5:4)

4. In what relationship must I be, to **fall away from** that relationship? A better translation is to fall from . Either way, If I *fall from*, or *away from* a relationship, am I still connected to that relationship?

5. What does the phrase **does not have God** mean in II John 9.

6. Connection (Colossians 2:19)

I must **have a connection** with the **head**, **before I can lose** the connection with the head!

Is it possible **to live** without a head?

7. **Fight the good fight of the faith.** *Take hold of the eternal life to which you were called who you made your good confession in the presence of many witnesses.* (I Timothy 6:12)

*We live in gratitude, knowing we deserve to pay our debt for sin...  
but knowing the debt is already **paid in full!***
